PTFA St Johns RC School

We are fortunate at our school to have a PTFA that's an integral part of the school community. Our association is about much more than simply fundraising. The PTFA exists to provide closer links between home and school, and it is an excellent way to bring staff, parents, and friends together socially in support of the school, working towards a common goal. It's fun too - just ask any of the Committee members or volunteers.

Past Events

We have had some great fundraising events which have taken place so far this school year, we've had our Autumn Disco, Christmas Raffle, Break the Rules Day, Nativity play photos, amongst some smaller money raising events.

The turnout has been great, with everything we have planned, and we want to THANK YOU for all of your generosity and support, remember, everything we raise is put back into the school for the kids to benefit from.

In total we have made a profit of £1,072.80 so far this school year, which is amazing! This along with the money already raised in the previous school year, will be used to give back to our Children and help the school with some great ideas.

What we are using the money for

We are always looking for the best way to use the money for our Children, and ensure they really benefit from the excellent fundraising taking place.

In December we purchased 180 Advent Calendars as a little treat for the Children to have. They were all surprised to find them on their desks one morning!

We are currently looking into purchasing Chrome Books for the Children to enhance their IT learning skills. Watch this space!

Thank You

The PTFA would like to say thank you again to everyone for all your generous support and help, without you none of this would be possible for the children.
