

END OF YEAR DATA 2021 - 2022

Our Early Years and Key Stage 1 children continue to flourish in our nurturing and aspirational environment. Little Wandle Phonics, Literacy Shed and both White Rose and Red Rose Mastery maths have facilitated very good outcomes for the children. Our children read often and when needed, are provided support and challenge in small groups to ensure that they all meet their potential.

Early Years

	St. John's 2022	National
GLD	78%	65%

Phonics Screening

	St. John's 2022	National
% Passed Phonic Screening Year 1	90%	75%

KS1

	St. John's 2022	National
Reading	70%	67%
Writing	61%	58%
Maths	78%	68%

END OF YEAR DATA 2021 - 2022

Our families have been negatively impacted by COVID and a couple of difficult years at our school. We have put in place significant support to accelerate and consolidate learning across lower and upper KS2. The children read and write often. Visits to our library and an aspirational Mastery maths programme have created a school that is focused on academic and holistic success. NFER testing indicates that our data is very strong, the gaps are rapidly closing. The school has a clear vision of both holistic and educational excellence that is starting to realise good outcomes for the children.

KS2

	Expected	Greater Depth
Reading	59%	19%
Writing	63%	19%
Maths	59%	11%
Spelling, Punctuation & Grammar	70%	37%
Combined Reading, Writing and Maths	48%
