

Merry Christmas

Merry Christmas from St. John's School

Dear Parents, Children, and Parish Community,
As we celebrate the joyous birth of our Savior, Jesus Christ, we extend our warmest Christmas wishes to you and your families. The miracle of His birth reminds us of the boundless love and hope He brings into our lives, filling our hearts with faith and gratitude.

To our wonderful parents, thank you for entrusting us with the care and education of your beautiful children. They are truly a gift, and it is a privilege to nurture their growth in faith, knowledge, and love.

We are also deeply grateful for the abundance of generosity you have shown through your thoughtful gifts. Your kindness touches all of us and reflects the spirit of this holy season.

May the light of Christ shine brightly in your hearts and homes this Christmas and throughout the New Year.

With blessings and heartfelt thanks,
The Staff of St. John's School
