

Year 5 Oracy Rules

One Voice at a Time

We take turns to speak so everyone is heard.

Use a Clear Voice

We try our best to speak clearly by moving our mouth and projecting our voice.

Eyes on the Speaker

We look at the speaker and show we are actively listening.

Listen

Pay attention to what has already been discussed and avoid repeating what someone has already said.

Think Before You Speak

We take a moment to think about our words before we say them.

Use Full Sentences

We try to explain our thoughts using full, thoughtful sentences.

Avoid Filler Words

Try not to say, umm, like, wait, basically.

Use New Adventurous Vocabulary

We challenge ourselves to use interesting words we've learned.

Celebrate Every Voice

Everyone's ideas matter we don't dominate a conversation or discussion.

Stay on Topic

We talk about the subject being discussed and don't wander off Topic.

Respect Different Ideas

We listen even if someone thinks differently than us.

Be Brave - Have a GO!

It's okay to make mistakes - We learn by trying.
